Search for **"AmCham Abu Dhabi"**
An AmCham Abu Dhabi Member Benefit

AmCham Abu Dhabi is the first trade association in the U.A.E. to launch a mobile app! The **"AmCham Abu Dhabi App"** makes it easier to access members, events and our popular discount program, in addition to other items. It is now available on both iOS and Android devices and can easily be downloaded by searching "AmCham Abu Dhabi" in the App Store and on Google Play.

Check out the services available for the executive on the go:

- **Members page:** Members now have complete access to AmCham Abu Dhabi's Membership database in the palm of their hands. Connecting with AmCham Abu Dhabi Members has never been easier.

- **Events page:** Stay updated on all AmCham Abu Dhabi events. Members can view event details, date, location (with GPS directions), and can also register their interest in attending an event.
- **Discounts page:** Members can stay up to date and take advantage of our exclusive discount program. Members can also easily present their membership card to the vendor, as it is included on the app and each vendor is listed with GPS coordinates, so members will always know what is nearby. In addition, users will also receive pop up notifications once a new discount is added.
- **Social Media:** Members can stay up to date with all of AmCham Abu Dhabi's social media channels, as the App links to all our Website, Twitter, LinkedIn, Facebook and YouTube pages.

To download the app on Android devices, [click here](#).

To download the app on Apple devices, [click here](#).

How to log in:

- Once downloaded, press sign up
- Enter your AmCham Abu Dhabi registered email and press sign up
- You will receive your password via email
- Enter your email and password to log in

If you need any assistance downloading the App or have any questions, please email Karim Damerje, Communications Coordinator at communications@amchamabudhabi.org.
