Note:

Please note that for security purposes, it is very important that we know the exact location of our service members during their time off base. Please be very specific when giving your location. Hosts' contact information will be forwarded to the Military Coordinator (for emergency purposes only).

For your convenience, we have included directions to finding the coordinates of your house using Google maps.

- 1) Open Google maps in your browser.
- 2) Type in your street address or nearest landmark to locate your house on the map.
- 3) Right click on the location to bring up this menu.

- 4) Click on the option 'What's here?'
- 5) A pop up will appear at the top right corner of your screen.

- 6) Click on the link to see the coordinates, copy and paste into your form.
